

Poster Submission

Two poster sessions will be scheduled offering students and researchers the opportunity to present their latest work relating to HIV/AIDS and substance abuse prevention and treatment. Those wishing to present a poster should send an abstract of 250 words or less, to the address below no later than May 25, 2008. Acceptances will be e-mailed to the submitting author within 5 days of submission. Please include complete identifying information for all authors (names, degrees, affiliation, funding source). Identify the individual who will “man” the poster.
