## What is the Summer Youth Employment, Camps, and Activities Guide?

**This Guide** is a directory of summer employment, camps, and activities written especially for the young people in Nashville and surrounding areas. It was developed with the assistance of youth, The 411, members of the Nashville Community Coalition for Youth Safety (NCCYS), and summer camps announcements that were published at various local new and media outlets. This directory focuses on critical issues & offers accessible information and contact numbers to develop your awareness of summer programs throughout the Nashville/Davidson County area.

The inclusion of agencies in this directory does not constitute endorsement nor does omission constitute disapproval by the committee. For more information about this guide, please contact Vicente Samaniego via email at [vsamaniego@mmc.edu](mailto:vsamaniego@mmc.edu) or phone at 615-327-5997.
