- 2007 Scientific reviewer; Journal of Urology
- 2007 Scientific reviewer: ImPact Abstracts for Congressionally Directed Research Program
- 2006 Scientific reviewer; Congressionally Directed Research Program (CDMRP)
- 2006 Scientific reviewer; Ethnicity and Disease

RESEARCH EXPERIENCE & ACTIVITIES:

Behavioral Epidemiology and Risk Reduction & Health Disparities
(Special focus African-American & African populations)

Epidemiology and Prevention of Chronic Diseases: **Hypertension**, Diabetes, Asthma, **Prostate Cancer**, Cervical Cancer, and Breast Cancer.

Behavior Modification / Community-Based Participatory Research (CBPR): Cancer and Cardiovascular disease control. (Screening, Smoking cessation), Maternal & Child Health (Family planning, Breast feeding, School-based family health), and Infectious diseases control (HIV/AIDS).

Funded Research Grants:

- 2007 DHHS/CMS HBCU Research Network Grant Opportunity. A Prostate Cancer Screening Program for Low Income African. \$250,000
- 2007 NCI CHC-CNP Grant: The Meharry Community Health Centers-Community Networks Program PI: Margaret Hargreaves.
Pilot Project Submitted: Integrated Prostate Health Program for Low-Income African-Americans: CBPR Approach. Project Leader.
\$50,000
- 2005 DOD Clinical Trial Development Award: The role of lycopene in prostate cancer survival: A randomized dietary intervention. \$100,000
- 2005 DOD HBCU Partnership Grant: Development of Meharry Medical College Prostate Cancer Program. \$823,485
- 2004 DOD IDEA Awardt: Dietary fat and vitamin E in prostate cancer risk among African Americans and Africans: A Case-Control Study. Transferred to Meharry Medical College. \$266,505

2002	DOH Community-Based Organization Grant: Prostate Cancer Community Outreach and Prevention program to target the Uninsured and Underinsured. Washington DC.	\$50,000
2002	DOD IDEA Award: Dietary fat and vitamin E in prostate cancer risk among African Americans and Africans: A Case-Control Study.	\$553,628
2000	DOH Grant: Prostate Cancer Screening and Awareness Program: Howard University Hospital Site, Washington DC.	\$15,000
1999	DOD Minority Award: DAMD17-00-1-0026: "The role of dietary fat and antioxidants in prostate cancer risk among African migrants in America."	\$75,000
1999	HUCC New-faculty Grant: "The role of dietary fat and antioxidants in prostate cancer risk West Africans."	\$40,000
1999	HUCC RFP: "Use of focus groups for dietary assessment questionnaire modification/development for African migrants in America".	\$15,000
1991	RO1-HL44413, Epidemic hypertension in Nigerian workers. National Institutes of Health, Direct costs: Co-principal investigator.	\$413,435
1990	University of Benin Research Grant. Pattern of Malaria prophylactic status of urban and rural communities, Phase I.	N6,000.00
1984	University of Benin Research Grant. Health status of Primary school children in Benin-City.	N2,000.00

STUDENT MENTORING:

1999 – 1997: University of Pittsburgh Graduate Students:
