

Obtain a Meharry Guest Wireless Account

Meharry offers guest wireless internet accounts for our guests who are visiting campus.

- Choose Meharry_Guest in your wireless settings.
- Open a browser and complete the registration form. You must complete it in full.
- Once registration form is completed, a page will show your username and password. Click log in.

If your guest is going to be on campus for more than 30 days, you will need to complete a Computer Access Form. Once completed, the form should be forwarded to Human Resources so that a network account may be created.

If you should have any problems please contact the Help Desk at ext. 4357 (on campus) or 615-327-6231 (off campus or cell phone).

Wireless access will be available for 24 hours upon registration.
