Benefits of a Registered Student Organization

1) Use of the Meharry Medical College tax-exempt form for student event related purchases that meet the requirements for tax exemption. (Submit requests to use the form 2 – 3 business days in advance with the vendor name, address and phone number to the Office of Student Life – studentservices@mmc.edu).

2) Hold events, meetings and fundraisers on campus by submitting a request in Campus Groups.

3) Reserve space at no cost to you on campus. Note: Use of the Henry A. Moses Alumni Hall may require rental of linen or additional tables and chairs for events. This cost will be passed on to your student organization. The Office of Student Life will make every effort to utilize free resources before referring you to rental companies.

4) Assistance and guidance from the Office of Student Life staff in planning events, activities and fundraisers.

5) The majority of requested events covered by the College’s event insurance policy. *Note: some events may require your organization to purchase an insurance rider. The cost can be between $200 and $600 depending on what causes the insurance company to not fully cover the event with the current College policy.

6) Have your event announcements sent out to the entire student body from the Pre-Alumni Association Marketing Committee.

7) Use of the Student Services Sam’s Club card for event related purchases.

8) Ability to apply for Student Opportunity Funds. (See attached for details).

9) Monthly student on-campus account financial updates from the Office of Student Life.

Results of Non-Compliance

All requirements must be met by student organizations in order to be considered a registered student organization. Requirements will be enforced in 2014 – 2015.

Non-Compliance of your organization will result in your organization being placed in an inactive status and not be allowed to host events, reserve rooms for meetings, etc. until all requirements have been met.

If your organization initially meets requirements and does not send monthly follow up information, your organization officers will be contacted and the organization will be placed in an inactive status if the requested information is not received within 5 business days of the request.
