Overview

The Higher Education Opportunity Act (HEOA) was signed into law in August 2008 and contains several crucial campus safety components. One of the main provisions of the HEOA is the Campus Fire Safety Right-to-Know Act. This provision calls for all Title IV eligible institutions that participate in Title IV programs and maintain on-campus student housing facilities to publish an annual fire safety report that outlines fires, safety systems, policies, practices, and statistics. The following report discloses all information required by HEOA as it relates to Meharry Medical College.

Fire Log

Meharry Medical College maintains a fire log which is available by contacting Environmental Health & Safety. The following chart is a compilation of fire that occurred on campus property during 2009.
